

Cerritos College

SIXTY-SEVENTH ANNUAL COMMENCEMENT
FRIDAY, THE TWENTY THIRD OF MAY 2025

The President's Message

Dr. Jose Fierro
President/Superintendent
Cerritos College

Congratulations, graduates!

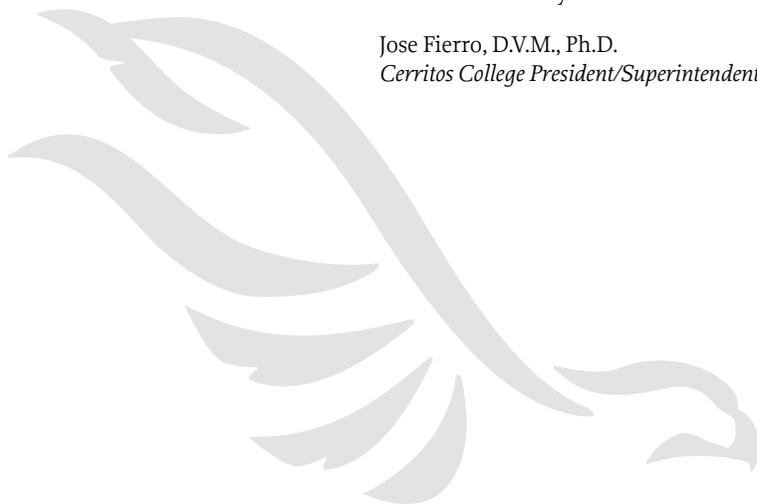

Today is more than a celebration of academic achievement—it's a testament to your resilience and determination. Each of you faced challenges, both personal and academic, and you've come through stronger, supported by your peers, family, and community.

As you accept your hard-earned diplomas, know that you carry with you not just knowledge, but the strength that comes from perseverance. Whether you're continuing your education or stepping into a new career, the foundation you've built here has prepared you for whatever lies ahead.

Your journey inspires us all. On behalf of the Board of Trustees, administration, faculty, and staff, we celebrate with you all that you achieved and thank those who helped you reach this moment.

Thank you for being part of our Cerritos College community. We look forward to seeing how you continue to overcome challenges and lead with conviction in the years ahead.

Jose Fierro, D.V.M., Ph.D.
Cerritos College President/Superintendent

The Board President's Message

*Ms. Anais Monae Gomez
(Del Valle)*

On behalf of the Cerritos College Board of Trustees, it is my honor to congratulate the Class of 2025!

As advocates for student success, we are proud to share in the joy and excitement of this celebration. Your dedication and perseverance in achieving your goals not only brought you to this point of accomplishment but set a shining example for your peers, family, and future generations. Your commitment to excellence serves as an inspiration to all who aspire to reach their dreams.

The entire Cerritos College community thanks you for your hard work and the positive impact you made on our campus. As you embark on the next chapter of your journey, we encourage you to carry forward the values and lessons you learned during your time at Cerritos College. Once again, congratulations to the Class of 2025!

Ms. Mariana Pacheco
Cerritos College Board President

Ms. Christine Soneriu-Sanchez
*Program Assistant II,
Enrollment Services*

CLOSING REMARKS

Dr. Jose Fierro
President/Superintendent

RECESSIONAL

“Stars and Stripes Forever”
by Mr. John Philip Sousa
Cerritos College Band

Student Commencement Speaker

*Mrs. Anais Monae Gomez
(Del Valle)*

*M*y name is Anais Monae Gomez (Del Valle), and I was born in Whittier, California. I was raised by strong women, including my mother and grandmother, who have always inspired me to keep going no matter the obstacles. I come from a big, loving family that always believed in me even when I didn't believe in myself.

In 2018, I lost my dad. It was an unexpected loss that became a turning point for me. I realized that I needed to go back to school and do better for myself. I enrolled at Cerritos College, where the professors provided me with incredible guidance and support. Now, I'm graduating with my associate degree in Communications as an honor student and a first-generation college graduate.

I'm excited to have been accepted into the College of Communications at Cal State Fullerton, along with my husband, whom I married this past October. We are both participating in this year's commencement at Cerritos College and are continuing our education at Cal State Fullerton.

I plan to pursue a career in Communications and, hopefully, come back to Cerritos College as a professor, an aspiration inspired by the guidance I've received along the way. In addition to my studies, I am the proud owner of AMG Photography LLC. I'm a passionate creative who finds joy in capturing life through the lens of my camera.

I am honored to represent the Class of 2025 as the student commencement speaker. I would like to dedicate this moment to my mom, husband, and loving family.

College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor’s, master’s, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR’S DEGREE usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125 years was the only earned

degree used in colleges and universities in the United States.

THE MASTER’S DEGREE represents one year or more of advanced study beyond the bachelor’s degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE is ordinarily the most advanced degree. It typically takes at least three years beyond the bachelor’s degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research, and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts, Letters, Humanities.	White	Medicine	Green
Business	Drab	Music	Pink
Dentistry	Lilac	Nursing	Apricot
Education	Light Blue	Oratory (Speech)	Silver
Engineering	Orange	Pharmacy	Olive
Fine Arts	Brown	Philosophy	Dark Blue
Home Economics	Maroon	Physical Education	Sage Green
Journalism	Crimson	Science	Gold-Yellow
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Grey

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates earning an associate degree who achieve a 3.3 to 3.69 grade point average will graduate “With Honors”. Those earning a 3.70 to 4.0 will graduate “With Highest Honors”. Students achieving “Honors” are designated by one asterisk (*) and students achieving “Highest Honors” are designated by two asterisks (**) in this program.

The Academic Procession

One of the most colorful parts of the commencement exercises is the academic procession, the opening part of the time-honored and traditional ceremonies. The processional includes all of the participants of the exercises, the graduating class, faculty, board of trustees, and participating guests.

The graduating class wears the solid black gown marked with no hood or color. The college's faculty, which includes its instructors, counselors, and administrative staff, along with the trustees and the program guests, wear gowns indicative of their academic rank. The processional is indeed one of the most impressive of all collegiate ceremonies.

The heritage of the cap and gown, with the colorful spectacle of the academic array, dates back to the twelfth century and the establishment of the first universities in Europe. Although there have been many changes in design and color, each individual gown, with its rank, is symbolic of achievement in a special field.

The Continental System, still used by England and the rest of Europe, allows a distinctive design and color for each college and university. In the United States, however, a uniform intercollegiate Academic Code has been adopted. The code is a simple one, regulating the colors and materials to be used. Knowledge of a few of these rules permits the viewer to "read"

the costume of any graduate of an American educational institution and know at once the wearer's degree, the field or department in which it was earned, and occasionally the college from which the degree was received.

Faculty gowns are divided into three groups, dependent upon the degree of the wearer. The bachelor's gown is one made of black worsted material with long, pointed sleeves, and the front is closed at the neck. The master's gown is either of black silk or wool and has a long closed sleeve with an arc of a circle appearing near the bottom and a slit, at elbow length, for the arm. The gown is worn closed at the front. The doctor's gown is black silk with full, round, open sleeves. It is faced with velvet and has three velvet bars on each sleeve. The color of the velvet is usually black but it may be of the same color of velvet as that which edges the hood. The gown is worn closed at the front.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For bachelor's and master's degrees, it is usually black, but occasionally it is the color of the velvet on the hood. The doctorate tassel is gold and may be worn on a tam.

The academic costume is set off by the most distinctive of all insignia, the hood. The hood is made of black material to match the gown and varies in length according to the degree: bachelor's, three feet; master's, three and one-half feet; and doctorate, four feet. Each hood has a velvet edge of varying widths according to the degree: two inches, three inches, and five inches respectively. The edging is carried around to the front of the neck to form a neck band. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have silk lining of the official color or colors of the college or university conferring the degree.

Cerritos College Alma Mater

*Hail, Alma Mater
Your Sons and Daughters sing of the school
that they love so well
Loyal one, faithful, truthful, courageous,
These are the truths we learned beneath thy wing;
In our hearts we'll always cherish memories
In our minds we carry knowledge gained from thee
Hail Alma Mater
Blue and White we honor
Your name Cerritos College.*

– Jack Wheaton, 1959
